In J3R we have been focusing on ‘What makes a good friend?’ During our Literacy sessions we read a book called ‘The Rainbow Fish’, which was about a beautiful fish who finds friendship and happiness when he learns to share. We decided to create our own J3R Class Rainbow Fish. Each child was given a scale to write on and decorate. They had to complete the sentence “I am a good friend because........”

Here is what it looked like when it was complete. What a great reminder to all about being a good friend!
