CONSENT FORM TO CONDUCT HEAD LICE INSPECTIONS

Permission to cover the duration of the student's schooling at:

ROBERTS McCUBBIN PRIMARY SCHOOL

Throughout your child's schooling, the school will be arranging head lice inspections of students.

The management of head lice infection works best when all children are involved in our screening program.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The inspection of students will be conducted by School First Aid Officers approved by the principal and school council.

Before any inspections are conducted the person conducting the inspections will explain to all students what is being done and why, and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or well kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any lice or eggs are present.

Persons authorised by the school principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check.

In cases where head lice are found, the staff inspecting the student will inform the parents/guardians. Please note that health regulations requires that where a child has head lice, that child should not return to school until appropriate treatment has commenced.

CONSENT FORM FOR PHOTOGRAPHS, VIDEOS, MEDIA

Permission to cover the duration of the student's schooling at:

ROBERTS McCUBBIN PRIMARY SCHOOL

Dear Parents,

Many times throughout your child's enrolment at Roberts McCubbin, photographs will be taken by staff of students participating in class activities, sport and various other events. These photos may then be used in classroom and corridor displays throughout the school and occasionally in school handbooks, advertising leaflets and shopping centre displays.

Some of these photos may also, from time to time, be included in our school newsletter. Our school newsletter is not only produced in paper format for families requiring that method of delivery, but also lodged on the school's website, for families requiring access via the internet to assist the environment.

Students who appear in photos used in any of the above ways will not be identified by full name.

On occasions where local, or city newspapers photograph students during special activities, students will only be identified by first name in these publications.

Your consent is required for your child to appear in photos to be displayed in any of the ways described above and this consent will apply for the duration of their schooling at our school.
