

**As a component of Kids Matter our school has implemented circle time.**

Circle Time is a teaching strategy which allows the teacher to explore issues of concern. Also, it allows children to explore and address issues which concern them. It provides a structured mechanism for solving problems, in which all participants have an equal footing. Circle Time affords the opportunity for the teacher and class to communicate with each other about issues which promote self-esteem and positive behaviour.

**3/4 R during their circle time.**

**CIRCLE TIME GIVES CHILDREN A VOICE**
