Calmer Kids.......  

As you are aware, health and well-being are critical factors in supporting student growth and learning.

Daniel Goleman, a well-known author wrote:

‘Happy, calm children learn best’

At RMPS we implement many strategies to ensure that our students are calm and in the best space for learning, where they can feel safe, play and learn at optimal levels.

In addition to Kids Matter, Better Buddies and our work on Restorative Practice, we are currently running, the Peaceful Kids program to support student well-being.

**Peaceful Kids is a Mindfulness and Positive Psychology based program which helps children to decrease anxieties and to build resilience**

The program runs for 1 hour each week, for 8 weeks per term and is made up of small groups of 4-6 children. Denise Anderson (Education Support staff) has completed the Peaceful Kids training and will facilitate the sessions, starting with Year 5/6s for Term 2.

Students from F-4 will also have the opportunity to participate in the workshops and are selected to participate on a needs basis. If you believe your child would benefit from the program, please contact me on: 9890 2372

Here are some tips for helping to calm your child:

1. Model calm behaviour
2. Use quiet speaking and the appropriate tone when making requests of children.
3. Use soothing music in the home for relaxation and bed time
4. Spend time outside often and connect with nature
5. Take walks and swims often
6. Encouraging quiet time in their own room, bed or bean bag.
7. Encouraging quiet time in their own room, bed or bean bag.
8. Create family quiet times - Meals with no TV.
9. Relax and read with books

School assembly times are changing……..!!!

To make use of quality learning time for our students we will be moving assemblies from Monday mornings to Friday afternoons. We will trial the new assembly times, which will commence on Friday, 13th May from 2.45 - 3.15pm (approx)

Thank You Matoula

On behalf of the school community, the leadership of the school would like to express their thanks to Matoula for the role she has undertaken over the last few years as PFA President and for all the work she has put into the role. Marg & Amanda

What’s Growing in the
Robbie Mac Garden?

This week, in Gardening Club, we had a busy week of harvesting cherry tomatoes, more zucchinis, dwarf eggplants and mint. We also picked lots and LOTS of black olives off the trees and intend on pickling these, ready for sharing and eating soon! We had such a lovely turn-out of keen gardeners this week, but would welcome any other children and parent helpers who might be keen, also. Please see the details below if you would like to help next week. 😊

If you or your child is interested in helping out with the garden, or you are able to donate any gardening equipment or supplies (or expertise), please speak to Ms Anita Siggins in J4S siggins.anita.a@edumail.vic.gov.au or Mr Tristan Liao in J2L liao.tristan.t@edumail.vic.gov.au
Message from the outgoing PFA President

Well what can I say? Thank you to Robin Fripp for taking on the role as the new PFA President for 2016/17. I know she will do an awesome job.

As I pass on the baton, I would like to thank everyone in the school community for your support and involvement of all things PFA over the years, to all our regulars and new faces and especially to the PFA Committee Ellen, Andrea, Arash, Jo and Robin (as Co - Vice President) for your hard work behind the scenes and at the front of our activities and events.

It’s been lovely to see some new faces attend our PFA meetings and I hope you keep it up and we get even more parents/carers attending. These meetings are a great opportunity to discuss what is happening at school what the PFA are up to.

I have enjoyed every moment being the President of the PFA. I have made friends ‘for life’, and met many other parents and carers in our school community that I never would have otherwise got to know.

The role has opened my eyes to all the hard work and dedication that goes on within the walls of the school, in the classrooms, with the office staff, teachers, leadership team and our Principal and Vice Principal and school council.

I have overcome my fear of public speaking and picked up some great office, event and management skills (and I hope people skills too!) along the way I hope to include in my resume. Skills that I never thought I would possess when we started our primary school years in 2009.

I strongly believe in the importance of the PFA at our school and the role it has in building community spirit and the sense of belonging for all our families. I am confident and sure that this will continue with Robin Fripp as PFA President.

We have a wonderful, caring and supportive community here at Roberts McCubbin. Thank you for the experience and support, and thank you to all the kids for all their smiles at assembly!

Matoula Romeo

Message from the new PFA President

Hey, hey, it’s PFA!

Hello to all Robbie Mac community members. I am very happy to be writing to you today. First I just want to remind you all of the wonderful job Matoula has been doing for the last 5 years. I know that she really enjoys her PFA involvement and her caring nature has led her to take on a lion’s share of our work. She deserves our heartfelt gratitude, so please remember to pat her on the back when you see her. Thankfully, she plans to keep pitching in.

I have accepted this role because I believe the PFA is a group which helps welcome new families into the school environment and makes their transition more positive. We all remember the great welcome morning teas, but I have also found my involvement in PFA events to be a great way to socialise with other carers and learn more about the school and how to get the most from it. I always learn something useful to my life as a parent. We talk a lot about kids, their activities, their issues, our issues with them etc. The list goes on. So when you see a callout from the PFA for helpers, think of the opportunity to chat with others about your life experience and get a new perspective. At the moment I am learning a lot about high school which is (scary thought!) coming fast for all of us.

Have a great week!

Before School / After School Care Program

Program Update
Last Monday our children were engaged in talking about historical events. They spoke about the Titanic and Shakespeare and were sharing interesting facts about these topics with their peers. They were also working collaboratively in doing Autumn leaves to decorate our room. Some of the children have started to learn to be responsible by tidying up the toys and equipment that they have used during the session.

GOOD NEWS!!
OSHClub is excited to announce its partnership with Play On AFL to provide AFL clinics to children at the school. The program is run by AFL approved Coaches with no more than 15 children in each session. Therefore each child will receive the highest quality coaching and mentoring. The program begins on the week commencing the 18th April and runs every Tuesday straight after the school bell. The program is open to all children who attend the school not just After Care children. The cost ranges from $15.00 for After Care children to $22.50 for non After Care families. Families may also be eligible for Child Care Rebate and Child Care Benefit reductions in cost. For more details go to http://playonsports.com.au/

A friendly reminder that the program concludes at 6pm each evening with a $2.00 per minute charge thereafter. If you are running late please contact us to let us know. All children enrolled in OSHClub must have fully updated anaphylaxis/asthma/risk management plans if needed and any medications required are to be held at the facility. No pen, no plan, no play.

Thankyou
