Congratulation to the whole community for your support with both SHREK performances last week.

I was so proud to see the school community come together and present such an amazing production!

SPECIAL THANKS must go to:

- Parent/carers and families, who made costumes, assisted with the sets, moved sets or helped in ANY way!

- All the staff for your support over the year with rehearsals and back stage help etc.

- TO NICK KONG- you put on a show that represented the TALENT, SKILLS and SPIRIT of RMPS!!!!
  Thanks for sharing your expertise and for directing SHREK

- To Nick’s CREW- thank you and well done!!

- Lastly- this is about the children, YOU ARE ALL STARS!!

Marg and I would like to thank the school community for the lovely flowers we received last Friday at assembly for World Principal’s Day. Your kind thoughts and words are much appreciated.

Marg is currently in Hawaii on LSL, and I’m hoping that she is now relaxed, sunning on the beach somewhere beautiful. All the best Marg, we hope you have a safe and enjoyable break!!
Following on from last week’s news, we can now give you more information about future arrangements for purchasing school uniform.

The school will be outsourcing the uniform sales to Surrey Clothing who have a shop at 161 Union Rd Surrey Hills as well as offering uniform online.

The retail shop will be open for sales between the hours of:

10.00am & 4.00pm - Monday to Friday and 10.00am & 1.00pm on the 1st Saturday of the month
9.00am & 5.00pm – Monday to Friday and 10.00am & 1.00pm on the 1st Saturday of the month during peak season (Dec – May)

For those of you who wish to order online Surrey Clothing will offer secure online shopping for our community. All customers will have to create a new login at the checkout stage at: http://www.surreyclothing.com.au/school-login/

Activation User Name: RMCC
Password: RMCC

Surrey Clothing offer free delivery to the school each Thursday and you can also return any items (with tags attached) if the size is wrong or there is another problem with the garment.

You can also leave orders with money enclosed in an envelope at the office and these will also be picked up on a Thursday.

There will be a transition period of a few weeks so that Surrey Clothing can collect the uniform we currently have in stock and set things up ready for sales. If you are in need of uniform during this period please contact the office and we will arrange that for you. We let you know via Compass when sales through the shop are available.

MASH Rotary Public Speaking Competition

Congratulations to Amelia L (56V) and Giselle M (56A) for being selected to speak at the MASH Rotary Public Speaking Competition last night. Both girls presented their speeches, and though I was not able to be there, I’ve been told that they both presented extremely well and did our school proud!! Thank you to Margie Hardy for coordinating this event!!

App Focus with Mr Vann

The apps on the RMPS essential app list are required for school and we ask you to make sure that you have installed all of the apps onto your child’s iPad. Although some of the apps are specific to certain units, there are some apps that are used all the time. Over the next few weeks I am going to highlight some of the apps that are used regularly in the classrooms.

Showbie

Learning Anytime! Anywhere! This is what Showbie can offer.
Teachers are using Showbie in the classroom in a whole lot of different ways, from sending out work to students, collecting work and giving feedback, providing resources and information to giving access to parents to have a sneak peek into their child’s classroom! With heaps of new features planned, like collaborative spaces where the students, teachers and parents will be able to interact with each other, Showbie is the app of choice for our school to communicate with our students, teachers and parents.

Make sure you get yourself signed up and ask your class teacher for your parent code!

Check out some of the topics on the Showbie blog!

School Banking day is Tuesday

This term there is a great competition where you can win prizes for you and the school. Simply bank 3 times in term 3 and you could win camping kits, cameras and magazine packs as well as a school sports bag valued at $200! If you complete the online stargazing activity you can also go into the draw for a PlayStation 4 pack.

The School Banking Team (Fiona and Fiona)

Late & Early Leave Books

PARENTS/CARRERS PLEASE NOTE: When completing both the Late Passes and Early Leave Passes that you write both the first name and LAST name of the child. With the introduction of COMPASS, these books are now used primarily for our evacuation and lockdown procedures to account for all of the children in case of an emergency.

If only a first name is written in either of these books and an emergency occurs, valuable time could be lost in accounting for all of the children, particularly if a Relief Teacher is in charge of the class and not familiar with all the children’s names.
This time last week we were super excited as we were preparing for our Opening Night!! A big congratulations to all involved, especially to the students, you are all SUPERSTARS! Here is a small selection of photos from the night. Once I have sifted through all of the wonderful shots I will print them out!

Don’t forget DVD orders need to be in by the end of this week!

Golden Ticket Donation Day - LUCKY BOXES!
Friday 12th August

Exciting news! The 2017 Roberts McCubbin Primary School Family Fair will have a new stall called LUCKY BOXES. It's a take on the traditional Lucky Jars, without the breakages.
It's a game that'll be fun for all the family and we need your help!

ON MONDAY 1ST AUG THE KIDS WILL BE SENT HOME WITH THEIR LUCKY BOX TO FILL!

Some suggestions to help you: ONLY NEW THINGS PLEASE.
Footy cards, scratchies, hairbands & clips, glow sticks, balloons, bouncy balls, lego, matchbox cars, whoopee cushions, bracelets / jewellery, vouchers, stickers, tattoos, tubes of glitter, lip balms, marbles, manicure sets / nail polish, novelty items, wrapped lollies or chocolates (expiry date after June 2017 thank you.)

Due to such amazing donations in May, no pens, pencils or notebooks please!

Each LUCKY BOX donation brought to school earns that child one entry into the Golden Ticket Draw to be held at Christmas, where 3 golden tickets will be won by 3 lucky children - 1 from each of the current Prep/1/2, 3/4 and 5/6 areas. Winning The Golden Ticket entitles them to a free ride bracelet as well as a fairy floss, sausage, cupcake, snow cone, icy pole, hair spray, lucky dip prize and heaps more! It's a free day of family fun!

NOT ONLY WILL EACH LUCKY BOX DONATION EARN YOU A RAFFLE TICKET FOR THE GOLDEN TICKET BUT YOU’LL ALSO GET TO WEAR FREE DRESS AND THIS TIME THERE WILL BE A SPECIAL PRIZE HAMPER UP FOR GRABS!

GET CREATIVE AND LET’S SEE WHO HAS THE BEST LUCKY BOX IDEA!
The winner of the hamper will be announced at assembly on Friday 19th August.

Additional boxes will be available at the office if you would like to make more than one.
If you wish not to fill your box, please return it to your class teacher.

THANKYOU FOR YOUR SUPPORT! - THE FAIR COMMITTEE

Thank you to the PFA and the School Council for the gorgeous flowers that were presented to me and Amanda at assembly last Friday. It was wonderful gesture which both of us appreciated very much.

Thank you to the Year 5/6 students (and their teachers!!) who wrote a great poem for me, made me a card and also organised all the other children of the school to sign the card.

Thank you to the VERY hardworking staff at RMPS. Following two nights of Shrek the staff yet again supported each other on Thursday night to load the sets back on to the truck to come back to the school and we were together again at 8.15 Friday to store the sets back at school.

**Project Paddington Update**

We are pleased to report that the last box of Project Paddington teddies has been handed over to AMES for distribution (pictured). The feedback is that there are lots of Syrian refugee kids happily bouncing down the hallways with their new found teddies. Thank you to all those Robbie Mac kids who filled their teddies with love and sent them off to their new owners.
From the President

Hey, hey, it’s PFA!

Hello everyone. As predicted last week, Shrek was wonderful. The kids all performed their parts well and the leads were stand-outs. Mr. Kong, I am in awe. Thank-you.

At the moment, the PFA committee are planning a fun movie night and this year’s Father’s Day breakfast. The last movie night was a fun night out for the kids and parents/carers too. This time, our film is Zootopia, so not a nostalgia trip like E.T. was, but I think it’s a great choice for everyone to enjoy. So get onto Compass Course Confirmations and book your family in.

As for our Father’s Day breakfast, after many years of delicious pancakes we are making a change to the menu. This is something a few dads have asked for, and since the morning is for the dads, we thought we’d give it a try. Stay tuned for details and keep the morning free – 2nd September – put it in your diary. As usual, we will need a large number of mums to help make this a fun and successful event for us all. Please help out if you can.

Junior School has a Maths night on Thursday and lots of families are going to join in the fun. Don’t forget to bring some money for the sausage sizzle which is available to help with dinner.

Have a great week.

Help needed

Junior Maths Night Sausage sizzle.

Arash will be cooking sausages before the event. If you feel like offering a hand I am sure he could do with help.

Family Movie Night 20th August

This is pretty low key. If you would like to help out in a small way. We will need people to help with some food and also cleaning up at the end of the night.

PFA Morning Tea and Meeting.

Next meeting to be held on Thursday 25th August.

PFA looking ahead…

PFA Helping Hands

The PFA Helping Hands is a service that provides help in the form of lunches and dinners to Roberts McCubbin families who are experiencing difficult circumstances for various reasons. Often family and friends help out but sometimes that is not always possible and with the support of parents and carers in our school community we are able to provide a helping hand.

Do you need a Helping Hand? If you need or know of a family that needs assistance please contact Siobhan who is the helping hands co-ordinator. Siobhan will organise someone from our list of helpers to provide dinner or lunch. The service is discreet and the family in need remains anonymous. ALL requests are treated with the strictest confidentiality.

You may wish to speak with Amanda Wigg (Student Welfare Coordinator) via school office 9890 2372 or you can email Siobhan directly on sbcthomas05@hotmail.com

Can you Help? If you are willing and able to lend a hand by making dinners or school lunches for our families in need, please email Siobhan so we can place you on our PFA Helping Hands list of helpers. When there is a family in need we will contact you and if you are able to help out, we will provide you with information required eg. dietary requirements and how many to prepare for. Lunches or dinners are dropped off to the school office.

If you can help out OR need help please contact our Helping Hands Coordinator Siobhan. sbcthomas05@hotmail.com

E.Bees Junior Basketball Club 2016-17 Summer Registrations Due Now

The E.Bees Junior Basketball Club provides young girls and boys an excellent opportunity to develop and enhance their personal basketball skills in a friendly and welcoming environment.

The Club encourages team spirit, teamwork, good sportsmanship and focuses on the children continuing to enjoy the experience of playing basketball. Please have registrations in by the 21st August.

E = Every
B = Basket
E = Every
E = Effort
S = Success

It takes a player to shoot a basket, but it takes a team to win a game.

E.Bees Junior Basketball Club are currently taking registrations for the Summer 2016-17 season.

EBEES.ORG.AU
I'm currently setting up a computer club in Burwood which is part of the Lab organisation. The Lab organisation was formed to give valuable life skills to kids with High Functioning Autism (Aspergers). There are currently Labs located all over Australia, however this will be the first time that one has been set up in our area.

The Lab provides an environment where the participants can come and learn programming and designing skills, and I have just employed two amazing mentors who’s job it will be to help them in this should this be what they want, but the kids can also just come and chat and play games, it has actually been shown that one of the most important aspects of the Lab is the social skills that the kids learn and are able to practice. Lab sessions are run entirely by the kids who come, as in there are no lesson plans or work that must be done, but just support for what they want to achieve, which means we provide a very relaxed environment.

Our Lab will take place at Bennettswood Neighbourhood House on Sundays between 11 and 1pm, at a cost of $20 per session. Term fees must be paid up front and in full at the first session, which we are having on October the 23rd. Term 4 will be a shortened term with 8 sessions, so the term fees will be $160. We have the whole house to ourselves, and it is encouraged that whilst the kids participate in the Lab then the parents meet and have coffee and chat so there is a support system for the parents as well. I myself have 10yo with High Functioning Autism which is how I got involved in the first place. The kids need to also bring their own laptop.

Anyways, I have attached our very non-professional (but made by love by me) flyer, and the press release that will eventually be given to the local newspapers, but wanted the schools in the area to have the first option on places. Please distribute and use as you find appropriate and I hope that I can meet some of your students in the next few months.

**PARENTING INFORMATION FORUM**
Supporting Parents, Grandparents and Carers

**HAVING THE TALK**
**STARTING CONVERSATIONS ABOUT ADOLESCENT RELATIONSHIPS AND SEXUAL HEALTH**

Young people often want to talk with their parents about sexuality and relationships. Many parents are unsure of where to start or may feel uncomfortable about having these conversations, but avoiding the subject is not helpful for young people as they can often receive the wrong information elsewhere.

In this forum Athi Kokonis from Family Planning Victoria (FPV) will provide guidance on practical and respectful ways parents can interact with adolescents about sexuality and relationships. This forum will provide assistance on how to begin the conversation, maintain the connection through adolescence and how to deal with difficult questions and sensitive issues.

Athi has been working in schools as both teacher and community educator for over 25 years. She has been with Family Planning Victoria for 13 years and works with students from primary, secondary and special school settings.

OSHClub News
Before School / After School Care Program

Program Update

This week OSHClub has been celebrating the Olympics! It has been so much fun to celebrate effort and participation in sport, from watching Australia win gold over our breakfast to making our very own Olympic torches, we have definitely caught Olympics fever.

Our goal this week has been to develop our community and a culture of participation. It has been awesome to see the children really being actively involved in the activities run by the program, sharing their passions with us and trying something new. Tom’s Painting Workshop was a hit, and as it always is with the budding chefs of Robbie Mac cooking club produced some delicious baked goods to share with the group.

We are currently in the process of extending our community network to tie into this week’s theme and our broader goals for the program, if you have any suggestions we would love to hear them! The input of parents and families is really valuable to us at OSHClub.

Staffing Just a reminder that I (Grace, Program Coordinator) will be away from the program for a few weeks due to a teaching placement in the Northern Territory. The program will well looked after by Martin as well as Deena and Harry, two incredibly experienced and lovely coordinators.

A friendly reminder that the program concludes at 6pm each evening with a $2.00 per minute charge thereafter. If you are running late please contact us to let us know. All children enrolled in OSHClub must have fully updated anaphylaxis/asthma/risk management plans if needed and any medications required are to be held at the facility. No pen, no plan, no play.

This Week’s Activities: Dinosaur Week

Highlights
- Science club (Tuesday)
- Dinosaur Origami
- Cooking club (Wednesday)
  - Trivia
  - Badminton
