

Transition Calendar

for 2018 Foundation Students

Starting school is an important time for children and their families. It's an exciting time for children and families to adjust to new roles and expectations as well as become familiar with our school and developing new relationships with peers and other adults. At **Roberts McCubbin Primary School** we provide a range of activities to support each child and their family through this transition. Please refer to our school web site for updated information.
