

**KIDS Matter in J3R**

In J3R we have been focusing on ‘What makes a good friend?’ During our Literacy sessions we read a book called ‘The Rainbow Fish’, which was about a beautiful fish who finds friendship and happiness when he learns to share.

Each child was given a scale to write on and decorate. They had to complete the sentence

“I am a good friend because.....”

Here is what it looked like when it was complete. What a great reminder to all about being a good friend!
