Semester 1 Reports will be available to parents on Friday, June 17 via Compass. I have included an article from Michael Grosse on reading your child’s report.

Reading your child’s report  By Michael Grosse
Reports can mean anxious times for children. Will my parents be disappointed or proud? This is the main concern of most children.

Could try harder . . . always does her best . . . lacks concentration . . . easily distracted . . . a pleasure to teach . . .

Do these comments, taken from a batch of student reports sound familiar? Student reports bring mixed feelings for parents. Pleasure and pride if they are performing well but considerable angst when children are not progressing as you hoped.

Reports can mean anxious times for children too. Will my parents be disappointed or proud? This is the main concern of most children. Kids of all ages take their cues from their parents, so your reaction to their school report can affect the way they see themselves as learners and as people.

Here are some ideas to consider when you open your child’s report:

- **Focus on strengths.** Do you look for strengths or weaknesses first? The challenge is to focus on strengths even if they are not in the traditional 3Rs or core subjects.

- **Take into account your child’s effort and attitude to learning.** If the report indicates that effort is below standard, then you have something to work on. If your child is putting in the required effort, then you cannot ask any more than that, regardless of the grading.

- **Broaden your focus** away from academic performance to form a picture of your child’s progress as a member of a social setting. How your child gets along with his or her peers will influence his happiness and well-being, as well as give an indicator to his future. The skills of independence and co-operation are highly valued by employers so don’t dismiss these as unimportant.

- **Take note of student self-assessment.** Kids are generally very honest and will give a realistic assessment of their progress. They are generally very perceptive so take note of their opinions.

- **Discuss the report** with your son or daughter talking about strengths first before looking at areas that need improvement. Ask for their opinion about how they performed and discuss their concerns.

After reports are read and discussed celebrate your child’s efforts with a special activity or treat. In this way you will recognise progress and remind them that the holidays are just around the corner when they can forget about assessment, tests and reports for a while.

At the end of the first semester we hold our Partnership Meetings. These have been a part of the school’s reporting process over a long period of time. They provide a key opportunity for you, your child and the class teacher to discuss some of the work your child has undertaken in the first half of the year, what they feel they have achieved success with, what they have found challenging and what their learning goals are for the rest of the year.

The Partnership Meetings will be held on Thursday, June 23 from 3.45 – 7.00pm and on Friday June 24 from 8.30am – 11.30pm. Team planning meetings will be held following the Partnership Meetings. Friday will be a pupil free day meaning that Thursday June 23 is the final day for the students. School will finish at the normal time of 3.30pm on that day. Bookings for the Partnership Meetings will be open from Tuesday June 13 until lunchtime Wednesday June 22.
The planning for 2017 is already underway. Enrolments for next year have already begun to be handed in to the office. If you have a child due to start school next year we would greatly appreciate you putting their enrolment form in as soon as possible so we can get them processed.

School Discovery begins in Week 2 of next term and groups are already being compiled. Children must be enrolled to participate. These sessions are a very good way of supporting children with the transition from pre-school to school.

THANKS TO ALL OF YOU WHO SUPPORTED OUR

2016 LIBRARY BOOK FAIR:
Students, Siblings, Parents, Grandparents, Staff and the organiser of the Fair, the MARVELLOUS ROS CORDINER.

We took $6453 and Library gets 35% of that amount in books that we choose, from Scholastic Books.

What a sensational success!
Books to the value of over $2200.00!

BUT WAIT, THERE'S MORE!

AUTHOR VISIT FOR 3-6 CLASSES
Oliver Phommavanah, a stand-up comedian, teacher and author, is coming to our school on Monday 20th June to speak to the students in the 3-6 classes about his books, his ideas and his writing.

We are so lucky to have this opportunity to hear a young author talk to us about writing and how his ideas evolve into published stories.
Dymocks Camberwell have organised this visit through Penguin Books for Monday, June 20th. There is no cost to the students.
Students are able to purchase through Dymocks by filling in the order form on Compass or in this Newsletter, bringing money to the Office before Wednesday 15th or to school on the day.
Thanks, Sue McNamara and Ros Cordiner
Order books now for Oliver Phommavanh’s author talk!

On **Monday 20th June** children’s author **Oliver Phommavanh** will be visiting the school to talk to students in 3-6 classes about reading, writing and his life as a writer. This is a fantastic opportunity to get to know the ins-and-outs of writing stories.

We’ll hear all about how Oliver became an author, stand-up comedian and teacher. He’ll take us on a crazy journey into his creative process, exploring where he got the ideas for his books, including *Thaï-riffic!*, *Con-nerd* and *The Other Christy*. He’ll also share writing tips for funny and wacky stories.

Oliver’s latest book is *The Other Christy*.

Please return money and the form below to school by **Wednesday 15th June** to ensure you receive your order. Limited stock is available for purchase on the day. Students may order books from Dymocks Camberwell and have the author sign them on the day!

What’s Growing in the Robbie Mac Gardens?

This week, we spent some time in the Fairy Garden, decorating. If you haven’t already seen the Fairy Garden, make sure you pop up to the raised-beds near the Junior deck. It looks fantastic and could make an excellent Literacy or Inquiry stimulus! Next, we went down to our larger garden beds and dismantled our poor old scarecrows. We picked parsley, thyme and sage for our gardeners to take home.

Over the Garden Wall Mural Project: On June 15th we have an exciting new project starting. After applying for and winning an Intergenerational Grant with Whitehorse City Council we have enlisted the help of Nicole Parkins, a local artist and friend to Roberts McCubbin PS, who will be assisting the Eco Captains and our regular gardeners to paint a mural on the retaining wall behind our large garden beds. It is going to make a vast difference to this area and make our garden look bright and cheerful. We do need more help though and are looking for any Grandparents who would like to help with the mural project. If you are a Grandparent and can help, please get in touch with Ms Siggins via the details below.

Dear Families,

National Buddy Day celebrates the special bond that students develop with their buddy over the year. As a school we will be celebrating this on Tuesday 14th of June with a range of events. Roberts McCubbin recognises the important role that buddies play in building our positive school community. The Alannah and Madeline foundation ‘Better Buddies Program’ provides the older and younger buddies with invaluable opportunities to develop a range of social, emotional and academic skills.

To celebrate this day we are asking students to come in free dress wearing a touch of purple for a gold coin donation. All classes will be participating in a ‘buddy picnic lunch’ from 1:00pm which we would love you to join. Buddy activities during lunch will be run by school captains. Please feel free to participate. From 2:30- 3:15 classes will use this time to celebrate the important relationships buddies build in schools. All sessions are open and we would love parents/grandparents to come in to help celebrate this unique relationship. The school has decided to use this event to raise money on this day to donate to Alannah and Madeline’s Better Bags Program- helping children entering emergency accommodation get the basics. [http://www.amf.org.au/BuddyBags](http://www.amf.org.au/BuddyBags)

We would love to invite you into the school from 1:00pm- 3:15pm so you see the great things buddies are doing together. If you are planning on popping in please let your child’s teacher know so they can direct you to where the buddy session will be held.

We look forward to this day of celebration acknowledging all that buddies do in supporting a positive school community.
From the President

Hey, hey, it’s PFA! Party time! Excellent!

Hi all. We had a very girly PFA meeting looking at Karen Deltondo’s lipsticks. Thanks Karen for the expo. I might have to put a bid in at the trivia night for your donation. The trivia night is big on our agenda and everything is coming together. We have received some great song requests for the night. Dancing at the end will be hilarious, at least if you are watching me. I will be doing my best Elaine (Seinfeld) dancing impersonation among other styles I have in my repertoire. I am sure someone will request Bohemian Rhapsody and we can all go Wayne’s World on that.

Some people have asked me what to wear. An old t-shirt, trackie daks and slippers will be most acceptable. If you are quite keen to dress up, then internet searches on Kath and Kim, Upper Middle Bogan, Bogans, Spinal Tap and Wayne’s World can help with inspiration. Just make sure you can dance in it!

Don’t forget, we can put you on a table for the night if you don’t have one organised and especially if you are coming by yourself and leaving someone at home with the kids. There is always someone to have fun with at Roberts McCubbin Trivia Night.

Have a great week!

An Evening with Michael Grose
Don’t miss this amazing opportunity!

A trailblazer in the parenting education scene Michael is the founder of Parentingideas, Australia’s leader in quality parenting education for parents and schools. Come and join us to share his insights and ideas.

Raising well-behaved kids that other people rave about (for the right reasons)

Getting co-operation from your kids is one of the biggest challenges modern parents face. As you know, if you have easy kids then getting co-operation is usually straightforward. But with some children you need to know what you’re doing if they are going to fall into line.

In this fantastic presentation Michael reveals real tested tried and true techniques and strategies that’ll make the life of every parent easier. Michael will also reveal:

• Why your children are different despite the fact they came from the same genes pool and receive the same parenting.
• How to get more co-operation without resorting yourself, raising your voice or resorting to tears.
• Great ways to promote self-control and self-discipline even in highly wired kids.
• The BSS question to ask yourself when kids repeatedly misbehave that will quickly yield to improvement.
• How to work out behaviours to worry about and those that kids will grow out of.
• A simple definition of misdemeanour that you can use in any situation.
• How you can bring emotional intelligence into your everyday parenting so that you can channel your kids to recognise and regulate their emotional state.

Emotionally Intelligent Parenting - Tuning in to Kids

The ability to regulate feelings such as anger, sadness, fear and excitement are essential milestones in a child’s emotional development.

The Parenting Information Forum will focus on the role of parents, grandparents and carers in recognising, understanding and responding to children’s emotions in an accepting and supportive way. This information provided will be based on the Tuning in to Kids program.

Presenter Joanne Barilo is an accredited Tuning in to Kids practitioner and qualified Social Worker. Joanne has been working with children and families for over 17 years.

The ideas and techniques presented will be useful for parents, grandparents and carers of children of all ages, but are especially suited to parents of pre-schoolers and young primary school children.

Date: Wednesday 13 July 2016
Time: 7.30pm-9pm (please arrive 7pm for registration inc. tea and coffee)

Before School / After School Care Program

Program Update

We are happy to inform that our Area Manager, Sarah Barber, provided us with a stick insect who is a female. The children and our families have given it a very warm welcome. Also, our staff and children have suggested some really interesting names for our stick insect such as Lady Madam, Sticky and Jeffrey. We expect to give her a name during the week.

Pupil Free day is coming on Friday, 24th June, so please feel free to book a place for your children in our program. We have been planning fun and learning activities for the day.

Holiday Program / Vacation Care As every term we will be running our program. Don't forget to book your child. We will have a lot fun. For more information visit our website www.oshclub.com.au

A friendly reminder that the program concludes at 6pm each evening with a $2.00 per minute charge thereafter. If you are running late please contact us to let us know. All children enrolled in OSHClub must have fully updated anaphylaxis/asthma/risk management plans if needed and any medications required are to be held at the facility. No pen, no plan, no play.
