Learning with iPads at Robbie Mac

Thank you to the parents and staff who attended our presentation last week. We have had a positive response to the session from within the school and from parents with children who will be beginning school next year.

On Monday and Tuesday of this week Ash van Hattum, Tristan Liao and I attended the Towards Transformation program with a number of other schools in the city. We had the privilege of working with Dr Ruben Puentedura the creator of the SAMAR model. As a school we have been developing our understanding and use of the model within our integration of effective technology, over the past couple of years and the opportunity to have more time working with Ruben and members of staff was invaluable. The model guides the increasingly complex design of tasks and use of technology starting with Substitution:

We know that with no change in teacher practice, use of technology has little impact on student learning and as a school with a high level of technology we must continue to have teacher practice and teacher development as a very high priority.

Teachers are the architects of learning experiences and design and build these experiences upon three core foundations of knowledge known as the TPCK framework which is also used when planning learning tasks:

- What they are teaching (content)
- How they are teaching (pedagogy)
- The resources we use to teach (technology)

As a group, following the rich discussions we had with other schools and the workshops we undertook, we spent the last session developing a Research Design Template (in our case teacher planning) using the SAMR model and will continue to develop this with other staff.

School Council:

Prior to our next School Council Meeting on 1st June will be a Reporting Meeting at 7:00pm where the School’s Annual Report will be presented. Members of the community are welcome to attend.

Have you applied for the Camps, Sports and Excursions Fund (CSEF)?

Parents are reminded that if you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for the CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classrooms for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their achievements.

The Annual CSEF amount per student is:
- $125 for primary school students
- $225 for secondary school students

How to Apply

Contact the school office to obtain a CSEF application forms or download from the schools website under the forms button on the Home Page. Applications close 3 June 2016.

School Banking News

Hi,

We are ‘team Fiona’ and have recently taken over as the school banking coordinators for Robbie Mac.

Just a reminder that all banking bags need to be at the office by the end of Tuesday each week so that we can process the banking on Wednesday. This will help us get the deposit books back in the same week and pass on the rewards to the kids more promptly.

If you are not in your class on Tuesday morning, please arrange for the bag to be delivered by another teacher.

Please don't hesitate to let us know if you or your students have any questions and we'll be happy to help.

What another great year of fundraising for Jump Rope for Heart! Last Wednesday we held our Jump Off day with students getting into the spirit by wearing red and joining in the skipping activities provided.

Our total fundraising amount so far is $6958.60. We had some outstanding amounts fundraised individually and would like to thank all who contributed to the cause. When results are finalized we will be sending 50% of the money to the Heart Foundation to continue the amazing work they do. The other 50% will be going towards a T.V. and fitting of it in the gym. The students are excited about being able to receive visual feedback of their skills via this technology.

Thank you again to all students and their families and friends who supported our program.

Special mentions to the following students (and teachers!) who raised amazing amounts:

District Cross Country

I was extremely proud of the efforts of our Cross Country team at the District Cross Country Championships on Tuesday. We sent along a full squad of 60 athletes who had worked hard in the weeks leading up to Cross Country with early morning training sessions and their hard work paid off with some great results and personal bests on a hilly and tough course ranging from 2 to 3kms. RMPS finished equal 2nd in the proportional shield.

Special congratulations go to the 8 children who finished in the top 10 of their races (some with up to 80 children competing) who will progress through to the Division Cross Country Championships next Thursday.

Freya S and Lucio L - 10th, Olivia G - 8th, Joshua K - 7th, Charlie Mc - 6th, Asher F-W - 4th and Keira S and Josh H - 3rd place

Good luck!

What’s Growing in the Robbie Mac Garden?

This week, we split into two groups. My group were very busy clearing and preparing the soil for the planting of jonquil-bulbs and poppy seeds. We planted these bulbs in the raised bed next to the Fairy Garden, in the Junior area. While it looks like nothing is there, please be mindful that the little bulbs are under the ground preparing to sleep through the winter. Look out for their cheerful faces, coming out in Spring. The other group headed down to the large garden beds and did lots of watering, they pulled up the old purple bean plants and planted spring onions, radishes & beetroot seeds and dug up the weeds/grass that shouldn't be there.

Well done, team! 😊

If you or your child is interested in helping out with the garden, or you are able to donate any gardening equipment or supplies (or expertise), please speak to

Hey, hey, it’s PFA!

Hi there. I have been umming and aahing over what to write this week. Yesterday afternoon dog poo was on my mind as I cleaned my car and kids shoes, but I’ll save my thoughts on that for another forum. Luckily, I have just come from a morning tea for class reps organised by the wonderful Trish Scott, so I can talk about that. It was great to see the faces of this group of terrific people, some experienced and some new to the role. Thank you for taking this on. Your class reps will be a great help to you all and will need your help in return to keep the warm community feel our school has. The PFA will be sending important communications via class reps too, so please keep an eye out for those.

I am getting very excited about the PFA trivia and bingo night. My inner bogan (probably never far away) is starting to surface and I am hoping to get a bit of head banging happening. I am thinking Angels and Acca/Dacca. If you have any music requests, get them to us. Not sure what I’m wearing yet, but I feel like there is a lot of scope to go wild. This is a good night to bond with other parents in your class, so your class reps can help you get tables together, or you can organise one with old friends. Arrange that babysitter as it will be a truly awesome night and is a major fundraiser for our school too!

Speaking of mixing fun with fundraising, I just wanted you all to know that all our Mother’s Day activities together raised around $3000, which is an impressive total. Thanks again to everyone who contributed.

Have a great week!

Help wanted

Upcoming fundraising Trivia and Bingo night June 18th. If you would like share the fun of planning this event with us please email the PFA or contact Sarah McCahon on 0409 794 772. Helpers will also be needed on the night. This is always fun to be involved with.

Donations wanted for silent auction, raffle and prizes.

If you or your business/organisation can help with a donation of an item, hamper, vouchers or gift certificate towards our event or sponsor one of activities - please let us know. It would really be appreciated and we will ensure that the donation is properly acknowledged and advertised to our school community.

July 2nd Election Day stalls/SAUSAGE SIZZLE. This is a brilliant fundraiser to get money from the wider community. It is during school holidays, but we still will need bakers for a cake stall and helpers to man BBQ and stalls. Please keep this in mind and call us with any inspired ideas.

It would really be appreciated and we will ensure that the donation is properly acknowledged and advertised to our school community.

Helpers on the night?
We need a few helpers on the night to make the night a success and run smoothly for everyone.

* Can you help with set up on Saturday or pack up Sunday?
* On the night collecting gold coins, selling raffle tickets or helping out with one of the fundraising games/activities?
* Or maybe you can take a shift at the bar?

Please contact the PFA or speak to either Sarah or Matoula if you can help out with any of the above or for more information.

Thank you!
