Houses Still Needed to Display Fair Posters

Do you live in a street that has a lot of foot or car traffic and would be able to display a fair poster on your front fence? If so, we’d love to hear from you. Please contact Karen Lurati on 0418 303 194 or email Karen_lurati@hotmail.com

The more posters we have up in the area the more awareness we can create. Thank you!

Silent Auction Artwork Available for You to Display in Your Home!

To support the fair’s fundraising efforts, the art teachers have been working with each class to create a piece of art that each child within the class has contributed to and which would look stunning in most homes. These wonderful artworks will be auctioned at the Fair.

They’re on display in the office foyer and along the corridor near the library. Please have a look at them and if you want your child’s contribution to hang proudly in your home then come along to the auction on the day and bid.
