SCOPE

This policy applies to:

2. Students' personal mobile phones brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Roberts McCubbin Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Roberts McCubbin Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner, as per

the Roberts McCubbin Primary School eSmart Policy and the Roberts McCubbin Primary School ICT and iPad Acceptable Use Agreement.

Secure storage

Mobile phones owned by students at Roberts McCubbin Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Roberts McCubbin Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Personal Goods policy](#).

Where students bring a mobile phone to school, Roberts McCubbin Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Roberts McCubbin Primary School each classroom in the school will provide a storage location and classroom teachers will establish beginning and end of day routines that facilitate the collection and secure storage of mobile phones.

Enforcement

Students who use their personal mobile phones inappropriately while at school during school hours, or while in attendance at an excursion or camp, may be issued with consequences consistent with our school's existing student engagement policies and the Roberts McCubbin Primary School ICT and iPad Acceptable Use Agreement.

In the event of a student refusing to hand in a mobile phone, parents or carers will be contacted and may be required to attend mediation with the principal to discuss compliance with this policy.
