Term 4 - Week 1

# Lisa

Welcome to RMPS Playgroup, my name is Lisa and I have been working at RMPS since 2013 as an Integration Aide. I have a background in early learning and after completing studies came over to Australia from Scotland.

Before Covid-19 the playgroup programme ran from 9am to 10:30 am on a Friday morning. Families gathering for lots of, craft, stories, fun and social interaction. Over the years we have noticed children coming to playgroup become familiar with the school thus making transition to school a happy and smooth experience.

Over the next 11 weeks I have put together some activity slides for our preschool age children and younger siblings to enjoy.

Feedback is welcomed or if you have any questions feel free to email me at [Lisa.Ralling@education.vic.gov.au](mailto:Lisa.Ralling@education.vic.gov.au)

Maybe you could make some flowers for your butterflies to sit on.

1. Cut cotton buds in half
2. Glue some playdough on a piece of card

Playing with sand is always fun.

Try making a river in your sand pit with aluminum foil. Look around your garden to see what you can use to create your river.

Do you have any animals that might like to explore your river?
