

Playgroup

Term 4 - Week 5

Craft time - This week we are making a fireworks display

The first picture is done with chalk on a black piece of paper.

Second picture is using colored paper to make more of a 3D firework picture.

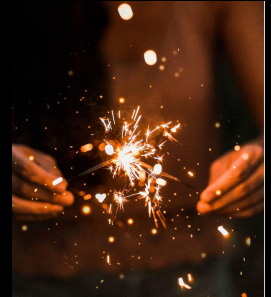

Childhood memories

The 5th of November was a special day for me. We would go out as a family to the front beach and stand in the freezing cold to celebrate Guy Fawkes Day. We watched stunning fireworks all cuddled together to keep warm. We thought it extra fun when we were given sparklers to twirl around.

Ask your Mummy or Daddy to tell you a story of their childhood.

Memories are unique and special to us and it's lovely to share them with your families.

Print the next two slides, cut out the squares and play the memory game

Memory game print and cut out.

Hope you have had
lots of fun and
created new
memories!
